## TRIPP-LITE

## HDMI to DVI Adapter Cable (M/M), 10 ft. (3.1 m)

## MODEL NUMBER: P566-010

Creates a pure bi-directional digital connection between a DVI-enabled source and an HDMI-enabled display or an HDMI-enabled source and DVI-enabled display.

### Description

This HDMI - DVI cable allows interconnection between digital display devices, such as HDTVs and projectors, to digital source devices, such as Set-Top boxes, DVD/DVD-R players and AV receivers. HDMI DTVs will display video received from existing DVI-equipped products, and DVI-equipped TVs will display video from HDMI sources. HDMI technology uses a much more compact and user-friendly connector than the existing DVI connector. The HDMI specification handles higher bandwidth, uncompressed video, and multi-channel digital audio, all in one neat cable solution. (HDMI-DVI cable supports digital video only and does not support audio.)

#### Features

- 10-ft. (3.05 m) HDMI to DVI-D Single Link Adapter Cable
- Creates a pure bi-directional digital connection between a DVI-enabled source and an HDMI-enabled display or an HDMI-enabled source and a DVI-enabled display.
- · Gold plated connectors and contacts provide optimal signal transfer
- · Premium Double-Shielded HDMI compliant cable protects against outside noise (EMI/RFI)
- Impedance matched twisted pair construction reduces cross-talk and interference
- Supports High-Definition (HD) video resolutions up to 1920 x 1080 @60Hz (1080p).
